A Time to Grow

As school began in early September, I crossed my fingers and hoped that the new building project would be on schedule. It was. After an exciting summer of construction we knew the end was in sight. Opening day was truly wonderful! On October 23, 2001, the students of SHS proudly marched into the new Gymnasium led by Drum Major Sandy Dewar on the pipes. It was a great day in the history of The Sterling Hall School, and it was made possible by the generosity of parents, alumni, foundations, faculty, staff, and friends of the school; over three million dollars was raised by our community. Each class was led on a tour of the new building and was delighted with the Library, Computer Resource Centre, and superb Athletic complex. The Eco-Garden will be a place of learning for all areas of the academic program from Art to Science. Planting began in early May, and the exciting outdoor space will soon be ready for all to use and enjoy. The new tennis courts fit the grounds well, and are a pleasure to play on. The Four Seasons Gala Auction was the fabulous culmination of our fundraising efforts, and all proceeds from the Gala have been directed towards the expansion. Many people played a role in taking this significant step into the future, and we are most grateful and appreciative for the tremendous support the school has received.

Thank You!

Head Boy's Message

What an exciting year to have been Head Boy! As I have grown during my five years at SHS, so has the school. Last October's completion and opening of the new wing, with its gym, library and iMac lab, have really added toThe Sterling Hall School experience.

Being Head Boy has not been just a job, but a privilege. Working alongside so many teachers and students has been challenging at times, but it has also being fun and rewarding.

I can remember my first day in Grade 4 when everyone-teachers and students alike - made me feel right at home. It's a much bigger home now, and throughout my time here I have been thankful for the wonderful teachers, the many friends I have made and the many happy memories. Academics, athletics and community involvement are alive and strong at The Sterling Hall School, and our motto "I can because I think" has never meant more. Thank you, SHS, and good wishes for the future.

Principal's Message

It gives me great pleasure to write a short annual message for inclusion in the Yearbook.

I have just been rereading the Yearbook from six years ago, the date of my arrival at The Sterling Hall School. In 1995-1996, the Yearbook consisted of a black and white document with a two-tone, blue and white cover. It was a fine representation of that year and extended to 56 pages. This year's will be 104 pages -24 of which will be in full colour, as is also the cover. Most of it will be digitally produced rather than hand-designed with a manual cropper, which is a major change from a few years ago!

And yet, the size of the document and the percentage of colour are not the significant factors. As ever, the 2001-2002 Yearbook tells its own tale of a year in the life of a school - our school - and that is what is important. We are very different from seven years ago -289 students, not 155, 38 teachers, not 17, and now with excellent new facilities. This chronicle of a year will be thoroughly scrutinized during the next week or so, and then may well find its way onto a shelf or into a cupboard. One thing is for sure, however, and that is that it will never be forgotten.

The words, names and pictures in this Yearbook are touchstones which bring back memories, some of which should be published and others probably not! These memories engender the legends and traditions which are the stuff of schools, and as such, this 2001-2002 Year Book stands proudly as a part of the 15 year history of The Sterling Hall School.

Congratulations to all the students, teachers, staff members and parents who have contributed to this document. Read, enjoy, smile and then move on to the next year. Good luck to our graduates. I look forward to seeing you all during the 2002-2003 academic year.

Sharkbytes and *Incite*

SHS certainly has its quota of talented writers. *Incite 2002*, the Ontario Independent Schools' writing anthology published 22 pieces of writing from SHS boys. *Sharkbytes*, our school literary magazine, included poems, stories, non-fiction, and line drawings from almost 100 students from all grade levels. This year's anthology even featured two items written in French. Bien fait!

Alumni Dinner

The Alumni Dinner has become an annual event. Held the Thursday night before Founder's Day, the dinner is a favourite for returning graduates. Last October, they had the chance to chat with former classmates and teachers, join into friendly basketball competition, and catch a glimpse of the new facilities at SHS. We hope to see the graduating class of 2002 return to take part in this special night.
