

THE STERLING HALL SCHOOL
Where boys belong.

SHS Uniform

We strongly believe that wearing the complete uniform in an appropriate fashion is important at all grade levels. Our faculty and staff will support your son in this endeavour. Boys should arrive on campus dressed properly in uniform with the appropriate uniform items needed for the day. Outdoor shoes are to be worn to and from school. Indoor shoes are to be brought on the first day and left at school for indoor and indoor physical education use only. Casual dress days are announced throughout the year and on those days clean, casual clothes may be worn. It is important that every student has the correct uniform items available when required. All uniform items are available in the Shark Shop online or in-person, with the exception of footwear.

Our most formal uniform, is reserved for Friday Assembly and special occasions and does not vary with the seasons. **Please ensure an updated crest is on your son's blazer.** Updated crests are available in the Shark Shop.
